CII Seeks 2008 Connie Nominations

HOLMDEL, NJ (May 21, 2008)—The Containerization & Intermodal Institute is seeking nominations for the prestigious annual Connie Award. This award has been presented each year since 1970 to those who have made outstanding contributions to the containerization and intermodal industry.

"The popularity and prestige of the Connie Award Program has drawn attention and attendees from across the nation. We are seeing first hand the explosive growth of our industry and therefore are looking at the potential for adding a West Coast program," said Joseph Cervenak, CII President. "We are without borders and need to reach out and be all inclusive in our activities and our search for this year's nominees."

This year's event will take place on December 8, 2008 at The Newark Club. All nominations should go to the CII office no later than August 15, 2008. To nominate a person, visit www.containerization.org/nominations.htm or contact CII Executive Director, Barbara Yeninas, at (732) 817-9131 or execdir@containerization.org.

About CII

The Containerization & Intermodal Institute (CII), founded in 1960, is dedicated to providing educational opportunities for transportation industry professionals and the public via a neutral forum for discussion. CII provides these opportunities through existing programs and initiatives, including seminars, scholarships, award programs, educational outreach and historical education.
